Our outstanding 2012 vintage represents everything we hoped for when beginning this project back in the day. Every wine exceeds my expectation and each is now opening up beautifully. 2012 also represents our last year of "full" production. The 2013 vintage closes the door on our project, in 2013 we again produced a balanced Reserve Cuvee blend (to be released 2017) and a small quantity of Carignane Dessert Wine.

## **Hand Crafted, Estate Grown, Limited Production Wines**

*Toucan Wines is a husband and wife run micro-winery and 3½ acre vineyard producing hand-crafted estate grown Zinfandel and Petite Sirah wines with a total limited estate production of about 300 cases.*

*Toucan Wines is located on the beautiful central coast of California, deep in the foothills of the Arroyo Grande Valley AVA. Our small 3½ acre hillside vineyard is planted to "old clone" head-trained Zinfandel and Petite Sirah vines known for low-yields, looser clusters and balanced fruit. Our micro-climate helps produce an elegant yet forward Zinfandel and Petite Sirah with rich varietal flavors and balanced acidity - making our wines the perfect selection for fine food. We produce every wine without adjustment, and each is carefully aged in only the finest new oak, then hand-bottled unfined and unfiltered.*

*Husband and wife, Doug Timewell and Terrie Leivers farm the vines and produce the wines, we truly are a family winery - we planted the vineyard, we perform the vineyard work, and we produce and bottle the wines in our winery located next to our family home. Small by any standard, micro-winereries like ours are focused on quality – it's our focus, attention to detail, and limited production that helps set our wines apart.*
